a. 9 December 1972 Family Visit. The Support Directorate Day will be held this coming Saturday. Sessions will be held at 0930 and 1130 hours in the auditorium. Office Directors were requested to be sure that their respective Office coordinators have advised [Redacted] O-DDS [Redacted] about attendance and head count in the cafeteria.

b. Christmas Parties. Christmas parties will be limited to 20, 21, and 22 December 1972. Sponsors will be expected to be in attendance and responsible for what happens and to keep things within the bounds of propriety. If any problems develop with the "merrymakers," call on the Office of Security. A collection will be held in the building for the less advantaged and it is being encouraged to forego the parties and make contributions instead. The hours of parties should take place between 3 and 6 p.m.

c. Consolidated Fund Campaign. [Redacted] said that the Agency has reached 99.76% of its CFC goal, falling just \$714 short of the \$294,966 target. There are still 40 cards out and it appears that the goal will be met. EAF now has \$17,194 and PSAS now totals \$14,939.

d. New Parking Permits. We have received the DD/P allotment of new parking permits and we are now separating them for each of you. Early next week we hope to be able to give them to you and will call you when they are ready. You will note that duplicate copies of permits for reserved spaces have been prepared. LSD did this so that any person issued a reserved space would be able to have the duplicate in his other car if he has one. It now appears that permits must be displayed at all times, even for reserved spaces. You will be pleased to know that as of this morning we had processed a total of 110 applications for car pool spaces to LSD. LSD has received over 200 applications from the Agency as a whole.

e. The Agency and the Young Employee. We have reproduced for you a thoughtful paper written by a younger officer on this subject. The SOP discussed this with [redacted] and we all agreed that there is food for thought in this paper which we would like to share with you.
